3-Year-Old Class

## *Welcome to the AUMC 3's class!*

We have spent the first few days of school getting to know each other and our classroom routines. The children had fun learning colors while playing with play dough and dot painting (with q-tips) over the letters of their name to display on our August bulletin board. They also practiced using their dry erase boards.

## *Behavior Management*

If a child is having difficulty following rules, the teachers will first try to redirect them (while explaining why we don't do that). If they continue to have difficulty, the child will be put into a time out and lose their sticker for the day. We will give the children stickers on their hand at the end of the day. If your child does not receive a sticker, you will receive a note explaining why.

## *Classroom Rules (Please go over these with your child at home)*

- Stay seated unless the teacher asks you to get up.
- Raise hand when needing to speak.
- Listen when the teacher is talking.
- Keep hands to yourself.
- When washing hands: use 1 squirt of soap and no more than 2 paper towels.

## *Reminders*

- Send a weather appropriate change of clothes, in case of spills or accidents.
- Have your child wear tennis shoes or closed toe shoes. (We have pea gravel on our playground).
- Check your take home folder daily for crafts, papers, etc.
- Best way to contact me with any questions or concerns:

*Thank You for sharing your children with us! We are going to have a great year!*

*Have a great weekend and God Bless!
