In the background, the horizontal stripes of an American flag are visible, slightly out of focus. The overall color palette is warm, dominated by the reds, whites, and blues of the flag, and the bright yellows and oranges of the sparks.

LOVE – LEARN – SHARE – SERVE with eternal purpose through faith in Jesus Christ

A WORD FROM PASTOR MATTHEW

As Americans we focus on freedom this time of year, celebrating the declaration of independence on July 4th, 1776. The ideal of freedom is worth celebrating but lately I'm concerned we are beginning to lose the true spirit of what it means to be free.

[Dictionary.com](https://www.dictionary.com) defines "freedom" as: *the power to determine action without restraint*. We like that. We like to live without limits and other people telling us what to do. However, in pressing and expecting our freedom, we can lose sight of how our determination affects our neighbor. If my sense of what it means to be free, of what I have the "right" to do makes someone else less free, is it right?

The good news is that Jesus redefines what freedom means to help us navigate the complexity for a greater good for everyone. Paul says in Galatians 5:1 that freedom in Christ has set us aside from being enslaved by selfishness. When we set our own priorities aside and look clearly on how actions can impact the lives of others, we find a more Christian way of living. Often, we know that we have the power or the opportunity or even the "right" to do something. As Christians, however, we must ask if that thing we have the "right" to do is something beneficial to others, to Christ, to the Kingdom.

"I have the right to do anything," you say—but not everything is beneficial. "I have the right to do anything"—but not everything is constructive. 1 Corinthians 10:23

Not everything we have the right to do is beneficial or constructive. As Christians mature, we are supposed to see things with wisdom before preference. We are supposed to love neighbor before self.

As we celebrate a nation where we can have a free exchange of ideas and live our Christian faith to its fullest, let us prayerfully remember our Savior who calls us to love one another as he has first loved us.

In Christ's love,

TIDBITS OF AUMC NEWS

THE PASTOR'S RECOMMENDATION THIS MONTH ISN'T A BOOK! I found in this season of healing that an odd item really came in handy: tattoo bandages. After surgery many situations call for keeping the site dry. When I searched Amazon for "waterproof bandage" a roll of bandages used after one gets a tattoo came up. You cut to size, follow instructions and will be able to proceed normally. Now, I'm not a doctor, well not the medical kind anyway, so be sure to consult with your surgeon and or physical therapist to make sure it will be acceptable for you. It sure was better than bread bags and umbrella covers!

Definitions of beliefs

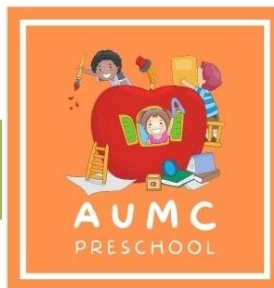

Further definition of the United Methodists beliefs.

Prevenient Grace – This is the Grace, the divine love, that "runs ahead" of our conscious impulses and leads our hearts toward faith.

Faith and Good Works – They belong together. Personal salvation leads to involvement in Christian Mission in the world. Personal religion and Christian social action are mutually reinforcing.

Tolerance – While United Methodism retains much from its several heritages, different theological positions grow. It acknowledges the virtues of different points of view even with the same community of believers.

All monies raised go to pass on kindness to the congregation and our community

Ukraine became independent on August 24th, 1991.

Each day at 8:24, am or pm, pray this prayer, that they might keep their freedom and there will be peace.

God of peace and justice, we pray for the people of Ukraine today. We pray for peace and the laying down of weapons. We pray for all those who fear for tomorrow, that your Spirit of comfort would draw near to them. We pray for those with power over war or peace, for wisdom, discernment, and compassion to guide their decisions. Above all, we pray for all your precious children, at risk and in fear, that you would hold and protect them. We pray in the name of Jesus, the Prince of Peace. Amen.

Sun damage can even happen on a cloudy day!

Sun damage includes sunburns, skin aging, eye damage, and skin cancer. Make sure to protect yourself by limiting time in the sun, staying out of the sun between 10 and 2:00pm, covering up, and wearing sunglasses and a hat. Don't forget to wear a SPF15 or higher sunscreen!

WHERE DOES THE CHANGE GO?

Each Sunday we pass the offering plate, and we all hear the coins go in, but what happens to the change? All the coins collected, along with the dollar bills, are counted and sent to one of the Metro Ministries we support. We rotate between Brightwood Community, Vida Nueva, and Fletcher Place Community Center. ***So far, in 2022, we have collected \$673.21.*** So, keep the change coming each Sunday and let's make a difference in the lives of those in our community.

WE MAKE THE ROAD BY WALKING SERIES

We continue to walk through the basics of the Christian faith each Sunday using Brian McClaren's book: *We Make the Road by Walking*.

People need the church because following Jesus was never meant to be a solo journey.

The church is a community that celebrates with us, grieves with us, lifts us up, gives us hope, challenges us to grow, and helps us be the best version of ourselves that we can possibly be.

The church is the way Jesus joins his followers together as family, as a community.

The church is the continuing presence of Christ in the world.

RADICAL HOSPITALITY

WELCOMING OTHERS IN CHRIST'S NAME

WHY DO PEOPLE NEED THE CHURCH?

Snippets from Chapter 3 of The Art of Hospitality by Debi Nixon.

We may have come to misunderstand the church as a building, or a place where we go to attend a worship service, a funeral, or a wedding. But the biblical church is not a building or place. But the church is really an assembly or group of people.

The church was Jesus' idea (Matthew 16:18). When Jesus refers to the Church, he is not speaking of a building or a specific denomination, but rather to all people who follow him. He is the head of the Church (Colossians 1:18).

We need each other. It is in the context of relationships that our lives are transformed. It is through community that we are inspired, challenged, and held accountable, all of which is difficult to do on our own.

People need church because people need Jesus and none of us can follow Jesus on our own. We need the companionship and support of others who are following Jesus too.

RISK TAKING MISSION AND SERVICE

SERVING OTHERS IN THE NAME OF CHRIST

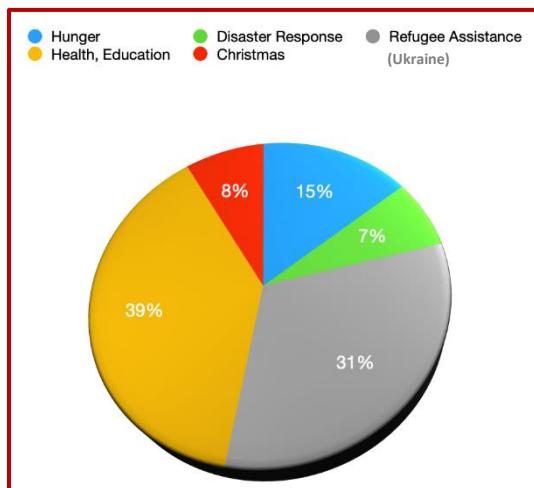

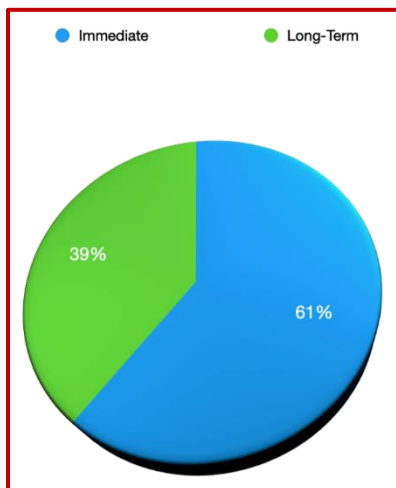

85 SERVED AT ROBERT'S PARK UMC

Roberts Park United Methodist Church has been providing a meal for the homeless in downtown Indianapolis on Sundays for the past 20 years. Prior to COVID, they had provided a hot meal inside the church building and were serving as many as 250 individuals. Instead of discontinuing their meal program during the pandemic, they began providing sack lunches to go. Several United Methodist Churches in central Indiana have been assisting Roberts Park with this effort. Acton UMC committed to provide two Sunday meals.

The Acton UMC Saturday Morning Bible Study had the opportunity to help with this ministry on Sunday, June 5th, by **making up the sack lunches and handing them out along with socks to about 85 individuals**. The sack lunches included bottled water, ham or turkey sandwiches, chips, cookies, carrots, and an orange. Acton UMC will again be providing a sack lunch meal on Christmas Day, Sunday, December 25th. **Anyone wishing to help with the Christmas meal should contact Bruce McKay or Pastor Matthew.**
